

Summary

The document contains sample images and corresponding descriptions obtained from the AMT survey. We show both: accepted and rejected descriptions for each image.

Samples

	Accepted A classroom with several messy wooden chairs and maps hanging on the wall. One estate is collapsed on some wooden chairs and maps are lying on the floor.
	Rejected Fifth grade elementary school social studies in Louisville Kentucky. The last day of school the class had a riot as you can tell no desk was left unharmed.
	Accepted A dark area which is on fire. The area is smokey and it is difficult to discern more detail.
	Rejected Without the presence of people with poor visibility. Environment with lots of smoke and flames everywhere.
	Accepted Blue sky, green grass and a house that is collapsing. The road is broken and has a wall on the right.
	Rejected This image looks very dark and looks like a picture from games. This is an image from a game and bad textures.

Accepted

There are shelves with paper bags on them. There is a painting on the wall hung on a beige wall.

Rejected

The office has stations of work. The windows have curtains.

Accepted

There is a window on the background. The room is very dark, but some frames can be intuited.

Rejected

A dark empty room lighted with candle. A very blacked darken place with no one present.

Accepted

A windowed office with a long hallway. An office that contains a water cooler with many empty water cooler tanks.

Rejected

Dark empty office full of smoke. An office with smoke inside and shadow of window.
